IWPA Circular No. 266 of 2018

Dear All

**Comments invited from IWPA members by 30.11.2018 on
MNRE's Certification Scheme for wind turbines**

The MNRE {Ministry of New and Renewable Energy (Wind Energy Division)} has come out with a draft on the "Indian Wind Turbines Certification Scheme" (**IWTCS**) which is attached herewith for ready reference.

The Scheme is devised to assist and cover all the stake holders viz. OEMs, End-users, Utilities, Developers, IPPs, Owners, authorities, Investors, Insurers, Certification bodies and Testing Laboratories.

The scheme elaborates the methodology and management in four volumes covering:

Volume 1 – Management of IWTCs, Indian Type Approved Model (ITAM) and Recommendation for Grid Synchronization of Prototype Wind turbine

Volume 2 – Indian Type Certification Scheme

Volume 3 – Wind Farm Project Certification Scheme

Volume 4 – Failure Assessment, Safety & Performance Assessment and Decommissioning

4th Volume contains a lot of factors affecting the existing windmill owners. We request all our members **to kindly go through the proposed scheme thoroughly and send their comments** so as to reach us on or before **Friday, November 30, 2018**. Based on the inputs from all our members, it would be consolidated and submitted to MNRE on or before December 05, 2018.

We solicit your cooperation in this regard.

Thanking you

Yours faithfully
For Indian Wind Power Association

(Prof. Dr. K Kasthurirangaian)
Chairman
