IWPA

helping mankind with energy from nature

The Chairman,
TANTRASCO,
6th Floor, NPKRR Maaligai,
144, Anna Salai, Chennai – 600 002

April 8, 2019

Kind Attention: Director (Operation)

Sir,

Sub: Step towards Forecasting, Scheduling & DSM Regulation Implementation
Ref: TNERC Forecasting, Scheduling Regulations dated 20-3-2019

This is with reference to the Forecasting, Scheduling & DSM Regulations notified by TNERC on 20th March 2019. Most of the activities listed in the regulations could be carried out in coordination and with the assistance of the State Load Despatch Centers and the officials in charge of the substations.

To have a clear understanding of the regulations and to take it forward towards the implementation of the regulation. The generators at IWPA would like to have a joint meeting with TANTRASCO where at TANTRASCO makes a Presentation on what / when / with which the Substation they propose to attach each specific Substation with less than 25 MW capacity / how they propose to permit real time view of AMR for sharing generation data of windmills and feeder meters with generators & the like. The meeting of this type is also envisaged in the regulations to better the implementation.

We look forward to your reply to name an earlier date for having a meeting. We can fix a venue in consultation with you.

Thanking you

Yours sincerely
For Indian Wind Power Association
