Sir,

Sub: CC Bill for September 2016 – Found included with Rs.800 as SOS charges with Arrears-Contrary to be CFC-Revenue instructions and Court Order dated 06.10.2016 – Revising of bill requested.

Ref: 1. The CFC- Revenue Memo. No. CFC/FC/DFC/AO.HT/AS.3 /REV/
D.NO. 290-1/16, Dated 03.10.2016.
2. The High Court Order dated 06.10.2016 in WP No.----- of
2016.

We invite your kind reference to the communication of CFC-Revenue by which instructions have been provided not to include the arrears from April 2016 to August 2016 in the CC bill for September 2016. All arrears have to be claimed as a separate demand only by providing statement of accounts as mandated under Regulation 13(2) of Tamilnadu Electricity Supply Code 2004. Even though CFC-Revenue has provided strong instructions as per the communication above cited, in violation of the instruction, you have included the arrears in the CC bill for 9/2016. Hence, by omitting the arrears, we have to be provided with a revised CC bill.

In addition to the above discrepancy, the SOS charges were calculated at Rs.800 / Day. In this connection, we wish to reiterate that the High Court Madras has provided an interim order to calculate the SOS charges only at Rs.300 / Day. Hence, in view of the High Court Order also, the bill needs to be revised suitably by calculating the SOS charges at Rs.300 / Day.

In view of both the same, the CC bill is required to be modified in compliance of the instruction of CFC-Revenue and also as per the orders of Hon'ble High Court as referred. We request you to kindly revise the bill and permit us to pay the CC bill in time.

Thanking You,

Yours Truly,

Encl:- 1. The CFC-Revenue instruction
2. High Court Order dated 06.10.2016.
