**IWPA**

helping mankind with energy from nature

**IWPA Circular No. 200 of 2016**

Dear Members

**Issue of IWPA Membership certificate to TANGEDCO in respect of  
Scheduling & System Operation charges**

As you aware on October 06, 2016 IWPA had obtained a stay order directing TANGEDCO to levy Rs. 300 per day (irrespective of the capacity of WEG) towards Scheduling & System Operation charges instead of Rs.800 per day as earlier raised in their monthly CC bill for September 2016.

We have requested CFC Revenue and the Director Finance, TANGEDCO on October 13, 2016 to issue working instructions to all EDCs to revise the bills in accordance with the High Court order for levying Rs. 300 as SoS charges per machine. TANGEDCO is yet to give the orders to their EDCs to revise the bill. We are meeting the CFC Revenue today for expediting the instructions to the EDCs.

Meanwhile we understand that many EDCs are insisting on IWPA's list of members to extend the benefit of the court order. To enable us to add your name in the list of IWPA members who have paid the current year's subscription, if you have not paid the current dues so far, this is to request you to rush your payments of the current year's subscription along with the Forecasting & Scheduling charges immediately.

We will be thankful for your early compliance.

As soon as we receive orders from CFC Revenue we shall let you know.

Assuring you the best of our services at all times.

Thanking you,

With Best Wishes & Regards

For Indian Wind Power Association
