**IWPA Circular No.207 of 2017**

Circular to all Members

**Sub: Harmonics for Wind Mills – Request to CMD, TNEB & representation to TNERC to extend time up to December 2017**

Dear Members,

One of our member Emerald Jewel Industry India Ltd has brought to our notice that Superintended Engineer – Tirunelveli has informed them that “ **There is no possibility of extending time limit for Harmonics study beyond 90 days** ”

We have sent a representation to TNERC requesting adequate time to be given to implement Harmonics like December 2017. Copy of our representation to TNERC is enclosed herewith.

In case TNERC also doesn't act within a reasonable time, we may have to approach Judiciary for necessary relief.

This is for your kind information.

With Best Wishes & Regards,

For Indian Wind Power Association  
**(Prof. Dr. K Kasthurirangaian)**
