IWPA Circular No. 212 of 2017

Dear Member

Request for Member Information

IWPA is actively participating in several governmental and non-governmental forums engaged in policy formulation. We are often required to furnish information about the size of our membership and the total installed capacity we represent. Very often we are required to submit statistics to Courts and Electricity Regulatory Commissions to appeal for favorable orders on behalf of our members.

We are in the process of updating our records. The Member Information Sheet is attached. Kindly arrange to fill them and send it to our office within a fortnight. This would help us to serve you better.

Thanking you

Yours faithfully
For Indian Wind Power Association
