IWPA Circular No. 222 of 2017

Dear Member

Sub: Group Captive Scheme – Legal Action initiated by IWPA

IWPA had initiated legal action over the verification process of TNEB for Generators under the Group Captive Scheme.

The Hon'ble High Court had since passed an Interim Order restraining TANGEDCO from passing orders while verification can continue. This Court order has brought great relief to our members, especially to those who were served notices of exorbitant Cross Subsidy Charges.

Since IWPA had engaged the services of Legal counsel, we have to pay their fees which is quite substantial. In order to defray the legal expenses, we request all those members who have benefitted from this order to arrange to pay their contribution towards this case as follows to help us carry on the legal remedy.

- | | |
|---|--------------|
| 1. Members having an aggregate installed capacity of 30 MW and more: | Rs. 1,00,000 |
| 2. Members having an aggregate installed capacity of less than 30 MW: | Rs. 25,000 |

Members are requested to send their contributions at the earliest. Those who have already paid may please ignore this circular.

Thanking you

Yours faithfully
For Indian Wind Power Association
