IWPA Circular No. 275 of 2019

Circular to Members having wind mills in Tamil Nadu

Dear Member

An update regarding the AMR Project TANGEDCO

We are receiving enquiries and clarifications regarding the AMR Project from our members. A few of them have expressed their difficulties in accessing the website and some of them have mentioned that the local TNEB staff are not at all conversant with the whole scheme.

Consequently, we had met the TNEB officials of the NCES, IT and Accounts Department and discussed the issue with them this morning. We had even made some of our members explain their predicament by putting them on speaker phone.

For purposes of abundant clarity, we are reiterating the procedure to be followed.
