IWPA Circular No.288 of 2019

Circular to Members having wind mills in Tamil Nadu

Dear Member

**Correction of non-receipt of AMR readings for IWPA Members' WEGs
– Data required for correction to be sent to IWPA - URGENT**

IWPA members are requested to send the following data for their WEGs, when it is not receiving AMR data. IWPA proposes to help the members get the AMR readings. The high Wind Season seems to have started on 1st May 2019 with winds blowing good throughout the day and receiving AMR data is important.

1. *Name of the Substation*
2. *Name of the Feeder with Voltage in KV*
3. *HTSC Number of WEG*
4. *Name of the consumer / WEG owner*
5. *Name of the EDC*

Now that we are getting generation almost throughout the day, it is important that you report to us the non-receipt of AMR readings in the above data which will enable IWPA to help you.

Non-members can also become member and avail of the service.

Kindly treat this as URGENT.

Thanking you

Yours faithfully
For Indian Wind Power Association

(Prof. Dr. K Kasthurirangaian)
Chairman

Indian Wind Power Association
