**IWPA Circular No.232 of 2017**

Circular to all Members who have Wind Mills in Tamil Nadu

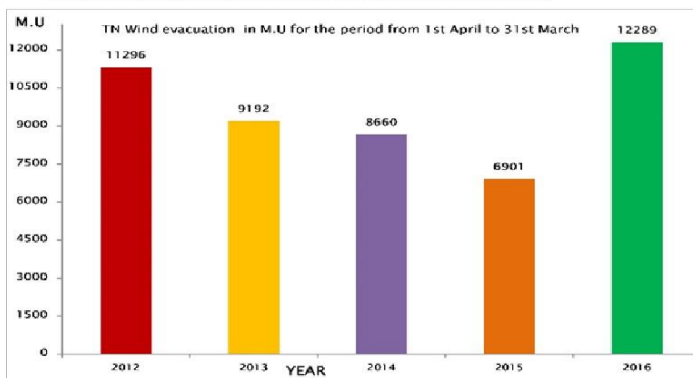

Dear Friends,

**Good Wind Energy evacuation happening in Tamilnadu**  
**A gentle reminder to those who are yet to pay the FSS dues.**

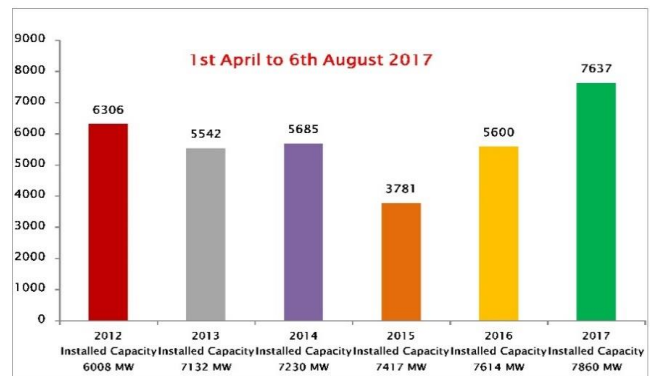

We thank all the members who had financially supported in the Forecasting & Scheduling exercise. As you are all aware, we are providing day ahead Forecast of Wind Energy to TNEB for the past two years. I have pleasure in sharing with you the good news that the efforts of our voluntary collective decision have borne fruit.

The graph on the left shows an 80% improvement or 5 billion units extra evacuated last year during 2016 -17. The graph on the right shows that this year from 1<sup>st</sup> April to 6<sup>th</sup> August 2017, 36% or extra 2 Billion Units i.e. 200 Crore Units were evacuated compared to the corresponding period last year.

**2016 COMPARED TO 2015 ALMOST 5 BILLION UNITS EXTRA**

**2017 Compared to 2016 almost 2 Billion Units Extra in 4 Months**

Evacuation of wind energy on August 04, 2017 was 100.51 Million Units with a record peak of 5084 MW. On August 05, 2017, it was 102.58 Million Units and this is now an all-time record.

We thank the SLDC – TN Engineers for their efforts in crossing a new milestone. IWPA is glad that the efforts in improving evacuation has borne fruit which has benefitted all the Wind Power generators in Tamilnadu. Scanned copies of the Newspaper cuttings reporting this achievement are enclosed for your kind information. The service providers like National Institute of Wind Energy (NIWE) and those who are engaged for supplying data to NIWE are to be paid now.

May I request each and every Wind generator including members of IWPA to support IWPA in continuing the Forecasting service by sending their annual payments for 2017-18 immediately. We thank the others who have already cleared the dues.

Looking forward for your support.

Thanking you in anticipation and with best wishes & Regards,

For Indian Wind Power Association
