IWPA

helping mankind with energy from nature

IWPA Circular No. 247 of 2018

Circular to all National Council Members, State Council Office Bearers & other Members

Sub: Comments on Environment and social cost of RE power

Dear Members

Please find enclosed herewith a draft study report ***“Economic Rate of Return for various Renewable Energy Technologies”***

Some interesting parameters in the reports are:

- (i) If one unit of electricity is produced from any renewable energy technology, it would be able to reduce pollution based damage cost amounting to Rs 1.07
- (ii) Social Cost of Carbon is INR 0.30/kWh.

RE generators may quote this figures to compare the RE power with Coal based Thermal Power.

Please send your comments / observations / feed-back to MNRE with a copy to IWPA National Office, Chennai

Thanking you in anticipation.

With best wishes and regards

Yours sincerely
For Indian Wind Power Association

(Prof. Dr. K Kasthurirangaian)
Chairman
