IWPA Circular No. 263 of 2018

**Renewable Energy
Welfare Society**

Dear Member

Workshop on “Repowering Windfarms in India”

Renewable Energy Welfare Society, Gurgaon is organizing a workshop on **Repowering Windfarms in India** which would be held on **October 11, 2018** at **Hotel Lemon Tree - Shimona, Chennai**. The workshop is being organized with a view to resolve complex issues involved in Repowering windfarms and to find a way forward. The workshop will have the participation of the Discoms, windfarm owners, lenders, manufacturers, IPPs and investors.

The sites to be considered for Repowering are generally the best wind sites in the country. A preliminary assessment shows that Repowering can result in a substantial enhancement in the capacity installed at a given site as well as almost doubling the capacity utilization factor. A model solution will be proposed and discussed along with many other alternative approaches.

IWPA is pleased to support the Conference on Repowering Windfarms in India. The organisers are offering a 40 percent discount on the participation fee to **IWPA members** i.e. **a special price of Rs. 9,000 instead of Rs. 15,000** GST of 18% is applicable on the registration fee.

The brochure including the registration form is attached for your kind reference.

Please note that, IWPA will not be in a position to take care of your travel, stay and other expenses. We request all our members to make their own arrangements and attend the workshop and benefit from the programme.
