IWPA Circular No. 265 of 2018

Circular to members having windmills in Tamil Nadu

Dear Member

TANGEDCO's instructions regarding AMR (Automated Meter Reading Project)

TANGEDCO vide its letter No. CE NCES No. 1346 dated October 02, 2018 has informed us that the AMR (Automated Meter Reading) Project has been completed and proposes to have a trial run from November 15, 2018. Members are requested to get their username and password from their respective generating end EDC.

After obtaining the username and password, members can access the master data pertaining to their WEG by login at the url [:http://htoa.tnebnet.org/oa](http://htoa.tnebnet.org/oa) ; take a print out and after verifying the correctness, certify the same and hand over the printed sheet to the concerned EDC for record. Discrepancies if any in the master data, may please be brought to the knowledge of the generating end SE/ EDC for rectification and a copy of the same may also be marked to IWPA. Copy of TANGEDCO's letter is attached for your kind perusal and guidance.

Also attached is a format of the static data required by NIWE for geo-tagging of all the wind mills in the country. Members are requested to arrange to fill up the static data and keep it ready which will be needed by TANGEDCO (REMC) and NIWE. NIWE has informed us that the data required as per the format can be filled up on-line which will be intimated in due course.

With best wishes and regards

Yours sincerely
