

Final Draft Program

Mitigating Risks in Renewable Energy

IIC, New Delhi, December 11 & 12, 2018

Day I	December , 11, 2018	
1000 – 1010Hrs	Welcome & Opening Remarks	
1015 – 1045Hrs	Special Address	Mr. S.K. Soonee Former- Head of POSOCO
	In recent times, renewable energy component in the generation mix, particularly Solar & Wind, has risen significantly and looking at the overall global energy scenario in the next 10 years, renewable energy may account for 40%-50% of electrical energy. This poses risks, challenges & opportunities. S K Soonee, former head of POSOCO, the organization that manages the power system in India and also a seasoned expert in power systems, energy and renewable energy will kick-start the REWS Workshop providing the delegates with insights on risks to both, renewable energy as well as power system and the measures that can be taken to mitigate these risks.	
1045 – 1115Hrs	Current status of grid Mgmt.	Mr. Narasimhan SR Executive Director & Head National Load Dispatch Centre (POSOCO)
	Wind and Solar have suddenly become very important components at the National Load Dispatch Center. In last one year, about 1200 MW of Renewable Energy has started to get injected in ISTS. In next 3-4 years, the quantum will increase to 20 GW. We will hear from Mr. Narsimhan how POSOCO plans to handle this large RE penetration in ISTS	
1115 – 1145Hrs	Tea/Coffee Break	
1145 – 1230Hrs	Special Address on Mergers & Acquisition	Mr. Chandrashekar Iyer ,Managing Director Meghraj Capital
	These are times of consolidation, mergers and acquisitions in Renewable Energy. In the recent newsletter of REWS, we comprehensively covered some of the mega developments of M&A in Asia. Chandrashekhar Iyer, with many years of experience in energy and finance will present his views on the risks that are there in M&A too to the share holders of the companies concerned and the lenders and how to mitigate these risks.	
1230 – 1330Hrs	L.N. Sheel Memorial Lecture	Mr. M.G. Arun Executive Editor, India Today
	REWS decided to remember and honor fine professionals in Renewable Energy, one such professional is late L N Shil (1952-2010), an MTECH from IIT Kanpur who spent nearly 28 years working on energy, many of these years with ABB. His contribution in Renewable Energy was in setting processes in project implementation. M G Arun, Executive Editor, India Today will deliver the L N Shil Memorial Lecture. He will talk about Indian economy in the context of investments and Energy. Arun is a Journalist and worked with Indian Express before joining India Today. Over the years, he has perfected the art of writing and Journalism.	
1330 – 1430Hrs	Lunch Break/ Networking	
*Speakers under invitation		

SESSION I		
1430 – 1530 Hrs	Panel Discussion on “Risks to Stake Holders in SECI and State bids”	
1430 – 1435 Hrs	Session Chair	Mr. Hemant Sahai Founding Partner HSA Advocates
1435 – 1530 Hrs	Panelists <ul style="list-style-type: none"> Mr. Ashish Swarup Founder Director RE Asset Excellence Mr. Raj Singh Niranjana Managing Partner Trans-India Law Associates (TILA) Mr. Ranjith Nair Senior Vice President, South Asia Development Engie India 	<ul style="list-style-type: none"> Mr. Ranjit Gupta Former-CEO Ostro Energy Pvt. Ltd. Mr. Milind Agrawal Principal Global Infrastructure Partners India Mr. Bhupesh Juneja Director, Inox Renewables Ltd Mr. Dharmendra Gupta Regional Regulatory Head (West & North), Mytrah Energy
1530 – 1545 Hrs	Open Discussion	
1545 – 1600 Hrs	Tea/ Coffee Break	

SESSION II		
1600 - 1700 Hrs	Panel Discussion on “Major barriers to RE Projects”	
1600 - 1605 Hrs	Session Chair	Mr. Ashish Tiwari Managing Director Vena Energy
1605 - 1700 Hrs	<i>Panelists</i> <ul style="list-style-type: none">• Mr. V B Rao Senior VP – Sales & Marketing Suzlon Energy Ltd.• Mr. Siddhartha Sengupta Head, Engineering. & Technology Sembcorp Green Infra Ltd.	<ul style="list-style-type: none">• Mr. Balwant Joshi Managing Director Idam Infrastructure Advisory Ltd.• Mr. Vikas Bansal Executive Vice President Yes Bank
1720 – 1730 Hrs	Open Discussion	
17:30	End Of Session	
*Speakers under invitation		

Final Draft Program

Mitigating Risks in Renewable Energy

IIC, New Delhi, December 11 & 12, 2018

Day II	December 12, 2018	
1000 – 1010Hrs	Welcome & Opening Remarks	
1010 – 1030Hrs	Managing Uncertainties in WRA	Mr. Rajesh Katyal Executive- National Institute of Wind Energy(NIWE)
1030 – 1100Hrs	Special Address	Dr. Kumaravel Rathinavel Managing Director, Deutsche Wind Guard India
1100 – 1110Hrs	Open Discussion	
1110 – 1140Hrs	Tea/Coffee Break	
SESSION I		
1140 –1240 Hrs	Panel Discussion : Suitability of WRA Models	
1140 - 1145 Hrs	Session Chair	Mr. Omprakash Parwani Head- WRA Sprng Energy Pvt. Ltd.
1145 - 1240 Hrs	<p>Panelists</p> <ul style="list-style-type: none">Mr. Omprakash Parwani Head- WRA Sprng Energy Pvt. Ltd.Mr. C B P Roy Senior General Manager – Wind Resource Suzlon Energy Ltd.Mr. Vitor Antao Vice President- Wind Resource Orange RenewablesMr. Lalit Birla Head – Wind Resource Sembcorp India	
1240-1300 Hrs	Open Discussion	
*Speakers under invitation		

Final Draft Program

Mitigating Risks in Renewable Energy

IIC, New Delhi, December 11 & 12, 2018

DAY II, SESSION II		
1300 –1400 Hrs	Panel Discussion : Standard Losses & Uncertainties in WRA	
1300 - 1305 Hrs	Session Chair	Mr. Anurag Nagalia Deputy General Manager Inox Renewables Ltd.
