Dear Sir

Release of arrears to Wind Generators – Early action requested

It was kind of you to have given an audience to our Secretary General yesterday and discussed with him the question of payments outstanding to wind energy suppliers.

IWPA is glad that you are taking steps to release payments outstanding to wind generators. We had also made a request of timely payments by TANGEDCO in our petition to the Chief Minister of Tamil Nadu during his visit to Coimbatore on February 06, 2019 (copy enclosed for ready reference).

You will please appreciate that our members are unable to pay their monthly dues to the lenders on account of non-payment by TNEB for the energy supplied; a delay of 19 months !

We trust that the possible release of funds shortly to TNEB from Rural Electrification Corporation (REC) / Power Finance Corporation (PFC) / Indian Renewable Energy Development Agency (IREDA) would enable you to release a portion of the outstanding to wind generators on or before February 28, 2019.

Looking forward to your early action.

Thanking you

With kind regards

Yours faithfully
For Indian Wind Power Association
