IWPA Circular No. 297 of 2019

Dear Member,

Sub: Delayed Payment by Discoms – Representation to MNRE

As you are aware, Wind Energy Generators with Power Purchase agreements for selling the power to DISCOMs have been facing delayed payments from Utilities/Discoms. We understand that the delays range from 5 months in some states to over 22 months in others.

Among other approaches to finding a solution, IWPA has also taken up the matter with the Ministries of Power and New and Renewable Energy. MNRE has requested us to provide the details of pending receivables from DISCOMs with aging for each state, developer wise.

In this connection, all members with POWER PURCHASE AGREEMENTS selling power to DISCOMS are requested to immediately provide details of outstanding payments in the attached format. Members with PPAs with more than one DISCOM in a state and/or PPAs with more than one state are requested to provide details in the same format separately for each DISCOM. (Please use the Sheet "PPA Dues Format" of the attached Excel file).

Members in Tamilnadu who have to receive payments in respect of unutilised energy after adjusting for captive /third party sale are requested to provide details of the same in the format in the attached excel file with sheet name OA surplus encashment.

The completed details may be mailed to IWPA National Office at iwpahq@windpro.org, with the subject line, "Outstanding from Utility/Discom" on or before July 30, 2019. It is proposed to consolidate the data received and take it up with MNRE in the first week of August, 2019 in an effort to expedite payments.

Members are requested to extend their full cooperation in providing the details at the earliest so we can take it up with MNRE with facts and speak on your behalf and seek their help to clear the overdue payments.

Looking forward to your immediate response.

With best wishes and regards,

Yours faithfully

For Indian Wind Power Association

Prof. Dr. K. Kasthurirangaian
Chairman
