IWPA Circular No. 5 of 2024-25

Dear Member,

Clearing of dues to the Association

In the ensuing AGM on 17th August 2024, we have to elect Chairman, one Vice Chairman and 10 nos. National Council Members. One of the conditions for a nomination to be valid is ***“The candidate and the persons proposing and seconding should be members of IWPA on the date of nomination. All the three members should have paid all their dues to the Association on the date of nomination.”***

In the previous years, the Returning Officer was constrained to disqualify a few nominations for non-fulfillment of this condition. Hence, we request all the aspirants and their Proposers and Seconders to arrange to clear all the dues including subscription to the Association forthwith to avoid any embarrassing situations. Please also note that in case of elections to any position, the eligibility of members to vote is that they should have paid the subscription or any other dues to our Association, please.

Thanking you,

Yours faithfully
For Indian Wind Power Association
