IWPA Circular No. 5 of 2025-26

Dear Member,

Global Wind Day Celebration at Bengaluru on 15 June 2025

The Indian Wind Sector has crossed a historic milestone, achieving over 50 GW of installed capacity as of March 2025. With wind energy now contributing more than 11% of India's total installed electricity generation capacity, it remains central to the country's target of sourcing 50% of its power from non-fossil fuel sources by 2030 and becoming carbon-neutral by 2070.

To commemorate this progress and deliberate on the future of wind energy in India, the Ministry of New and Renewable Energy (MNRE) in association with NIWE, IWPA, IWTMA and WIPPA, is organizing the **4th edition of Global Wind Day on 15th June 2025 at JW Marriott, Bengaluru, under the theme "Pawan-Urja: Powering the Future of India."**

The event will be inaugurated by Shri Pralhad Joshi, Hon'ble Cabinet Minister for New and Renewable Energy, and will bring together key stakeholders from central and state government bodies, DISCOMs, CPSUs, the wind energy industry, academia, and policy think tanks. Discussions will explore the role of onshore and offshore wind energy in India's power sector, strategies to strengthen transmission infrastructure and the domestic supply chain, and mechanisms to unlock innovative financing solutions for the wind sector.

IWPA cordially invites all its members to participate in this important convening. Your presence will contribute to meaningful dialogue and showcase the collective strength of our industry.

Members who are interested to join the conference may please register through the following link:

<https://forms.gle/KM3nxdemdNU3saDb6>

After registering on the above link, a confirmation mail indicating the details of the participant may also please be sent to **iwpahq@windpro.org**

We look forward to your valuable presence and participation.

Thanking you,

Yours faithfully

For Indian Wind Power Association

Dr. K Kasthurirangaian
Chairman

Indian Wind Power Association
