IWPA Circular No.10 of 2024-25

Circular to IWPA members having windmills in Tamil Nadu

Dear Member,

Sub: Formation of IWPA Tamil Nadu State Council

At its 1st Meeting for the year 2023-24, a suggestion was made to the National Council to have a separate State Council for Tamil Nadu, the affairs of which hitherto have been handled by the National Council. The suggestion was then thoroughly examined by a Special Task Force set up for the purpose. After considerable deliberation, the Special Task Force recommended the formation of a separate State Council for Tamil Nadu. The recommendation was unanimously passed by the National Council at its 7th Meeting for the year 2023-24 following which due process was followed to set up the Tamil Nadu State Council.

We are sure that all of you would join us in congratulating the newly elected members and would extend your full cooperation to them in serving your interests.
