On a petition filed by IWPA in M.P. No. 20 of 2021 at TNERC, praying to roll over the unutilized banked units of wind energy as on 31.03.2021 for consumption beyond 31.03.2021 because of the disturbances due to Covid-19 backdrop, the TNERC today ordered to roll over the unutilized units available in the account of the WEGs as on 31.03.2021 and permitted to use the energy against the consumption during non-peak and normal hours as pronounced in the Open Court on 28<sup>th</sup> December 2021. The copy of the Judgment will be sent to all Members as and when received.

Those members who have not received any payment on account of unutilized banked units as on 31.03.2021, can now adjust the same against future consumption during non-peak and normal hours. Those who have received payments towards encashment on the unutilized energy as on 31.03.2021, will be losing the benefit of this order.

For favour of information please. We always stand for all the legitimate dues of the members.

Wishing all members a very happy New Year 2022 ahead!

Yours faithfully
