Sub: Payment of arrears by DISCOMs on the basis of details uploaded by YOU on PRAAPTI app

Dear Member,

As you are aware, under the Rs 20 lakh crore package under Atmanirbhar Bharat Abhiyan, the Finance Minister had announced a Rs 90,000 crore liquidity injection for DISCOMs. This is to happen through 10-year loans offered by PFC and REC to state DISCOMs. In their respective scheme documents, both PFC and REC have indicated that **payment shall be released directly to CPSU Gencos/ RE Gencos/PPs/CPSU Transcos** based on authorisation of DISCOMs in this regard. It is now learnt that for this purpose, the Ministry is going **entirely on the basis of dues uploaded on the PRAAPTI Portal of the Ministry of Power.**

PRAAPTI is a downloadable app available in Play Store or App Store for Android / IOS devices respectively. Generators can register and then upload their invoices. Method of registration is at Sl. No. 6 in the Frequently Asked Questions section of the app. The app tracks delayed payments which are now proposed to be cleared through direct transfer to RE Gencos.

In case you have not uploaded details of outstanding amounts due to you from your respective DISCOMs on the PRAAPTI portal, please do so immediately.

It will be recalled that there have been five circulars from IWPA in the past one year on the need to upload details in PRAAPTI.

Thanking you

With best wishes and regards

Yours faithfully
