IWPA Circular No. 8 of 2020-21

Dear Member,

Sub: Awards to the Best Performing Wind Farms - Extension of time for submitting applications

Please refer to our Circular No. 7 of 2020-21, dated July 22, 2020 regarding awards for the Best performing Wind Farms.

It was originally planned to announce the names of the winners at the Annual General Meeting that was scheduled to take place on August 12, 2020. However, we have had to postpone the AGM to a time when it is safer to do so as advised by the Registrar of Societies and the District Administration.

In order to encourage greater participation, we are now pleased to extend the last date for submitting applications for the Best Performing Wind Farms - 2019-20 to August 31, 2020.

We look forward to receiving more entries as a consequence of this extension.

With best wishes,

for Indian Wind Power Association
