IWPA Circular No. 8 of 2022-23

Dear Member,

Sub: Sale of Wind Farm Carbon Credits / Fresh registration for IREC Credits call for

We wish to inform our members that off-late the sale of IREC (International Renewable Energy Certificate) a modified form of Carbon Credit, is gaining importance. We want to encash this for the benefit of members from all states. The validity period starts from July 2021 and it is for a period of 5 years. Hence, to start with, our members can reap the benefit of the IREC from July 2021 to December 2022. As this scheme will not involve any payment of charges upfront from the members and after the sale of IREC, the net collection will be paid to the members. Windmills installed anywhere in India and commissioned in any year are eligible for carbon credits for their generation from the windmill from 2021 onwards. (Including the 58 Members who had registered earlier under VCS). Members are requested to make use of this opportunity by providing the details as shown in the format given below:

Substation Location & State	Substation Capacity	Installed Capacity MW	Commissioning Date	Company Name & Address

A reply before October 20, 2022, will be highly helpful, please.

Those members who have not paid their subscription are requested to pay early to become eligible for this scheme.

Non-Members are also eligible to apply. However, such of those investors who are not members of IWPA should become members of IWPA by filling in the application for membership which can be downloaded from the IWPA website www.windpro.org and sending the same along with the payment of the one-time admission fee and annual subscription fee.

Thanking you,

Yours faithfully
For Indian Wind Power Association

Prof. Dr. K Kasthurirangaian
Chairman

P.S.: *IWPA had arranged sale of carbon credits through VCS to 58 members in the year 2009 and balance payment in 2022*
