**IWPA Circular No. 13 of 2020-21**

***For the attention of members who have wind mills located in Tamil Nadu  
for captive / group-captive consumption***

Dear Member,

**Sub: Submission of CGP Verification Documents - Reg.**

At the outset, we thank all members who responded to our earlier circulars calling for details of year-wise submission of documents to TANGEDCO for CGP verification. The list is attached to this Circular as Annexure 1.

TANGEDCO has submitted its own list to the Hon'ble TNERC of WEG owners who have submitted CGP verification documents mentioning the date of submission. Their affidavit and list is attached to this Circular as Annexure 2.

As would be observed, the list submitted by TANGEDCO is at variance with the IWPA list. It also has come to our notice that names of some generators who have submitted documents are missing in the list. Hence, we need to inform our advocate of the discrepancies in the list submitted by TANGEDCO. In order to prepare the list, the details regarding submission of CGP documents have to be provided by members. Members are advised to go through the list submitted by TANGEDCO and confirm if the name of the generating company is shown and confirm if the date of submission shown is correct.

Members are requested to submit the requisite details as per the format attached as Annexure 3. In addition, please also furnish copies of acknowledgment obtained from TANGEDCO.

The details called for in Annexure 3, along with copies of acknowledgement received, may please be submitted to [iwpahq@windpro.org](mailto:iwpahq@windpro.org) on or before December 02, 2020. It may please be noted that in respect of those who don't respond it would be taken as not submitted while providing the details to our counsel.

Thanking you,

Yours faithfully,  
For Indian Wind Power Association
