Hear from the OEMs / ISPs about how they could help you:

- Maximise up-time of your machines.
- Enhance CUF.
- Reduce operating costs.
- Make use of methods that help predict possible breakdowns,
- Assist you with data for certification under UL 4143, etc.

Admittance to the event is open at no charge to representatives of Wind energy generating companies. Non-members are also welcome.

Since we have limited seating available, **pre-booking for admission to the event would be necessary.** Accordingly, please confirm your attendance by February 03, 2024. Confirmations may please be sent to iwpahq@windpro.org to help us plan the seating, catering, and logistics requirements.

For those requiring hotel accommodation, the same is available at a concessional rate, as per details given below:
